RE. RFP DGS-2053, **ADDENDUM #18-A**

TO ALL INTERESTED BIDDERS:

This is a correction to the last addendum (#18) which made changes/corrections to Appendices B-1, B-2, B-3, and B-4: Model Contract Language.

Each of these documents has been updated to include "ADDENDUM #18 12/16/05" in the footer on each page.

To note, because this is a completely new package of Contract Language, every page now shows this new addendum number and date.

The .pdf documents are the official versions and are posted on the [Revised Calnet 2 RFP](#) website. Red-lined versions of each are also posted for your convenience and information only.

Please replace your versions of Appendices B-1, B-2, B-3, and B-4 with the newly posted official versions.

Please send any questions to me via e-mail.

Sincerely,
